Dear friends, dear colleagues,

It is an honor for us to officially announce the beginning of the journey toward our most important professional event:

The Early Childhood Intervention Congress 2027
31th march to 2nd april 2027
Madrid, Spain

Under the motto that guides our purpose, we are preparing for a transformative encounter:

We invite you to play an active role in this growth.
As members of AEIPI & EURLYAID, your experience and commitment are at the heart of this Congress. Very soon, we will share more details regarding the organization and the opening of registration.

This Congress will be a space for connection, shared learning, and partnership between families, professionals, and communities.

Let’s keep growing together so that no one is left behind, and every child and family can participate and thrive!

Warm regards,

The Organizing Committee
