Eurlyaid Newsletter April 2021 AGORA Closing Conference

supported by Velux

SAFE THE DATE!

dear colleagues, friends,

2021, June 8th, 2.30 - 5.30 pm (UTC+2)

Online Closing Conference AGORA Project

Early Childhood Intervention – for a sustainable and inclusive future

By changing the beginning of the story, we change the whole story

After 3,5 years working with our partners in Slovakia, Poland, Hungary, Romania,

Bulgaria and EASPD this project is coming to an end.

A conference in Brussels, as first was the intention, due to COVID, is not possible. An online conference fortunately is.

The final conference program and registration link will be available soon.

All project partner countries will present results and prospects the project has generated in their countries.

We are pleased we can present the following keynote speakers:

The conference will be on zoom and participation is

free of charge !

Simultaneous translation into:
English, Bulgarian, Slovakian, Polish, Hungarian and Romanian.
