

Dear members,

In this newsletter you will find information about the AVAPACE (Erasmus +) Project **Family-Centered Early Intervention in Cerebral Palsy- CP Early intervention**

### DEVELOPMENT OF A TRAINING PROGRAM FOR ENHANCING THE IMPLEMENTATION OF FAMILY-CENTERED EARLY INTERVENTION IN CEREBRAL PALSY

#### Project objectives:

- Provide guidelines and tools to support **the implementation of Family-Centered Early Intervention in Cerebral Palsy**
- Develop proper skills in professionals, parents and informal supports for increasing and optimizing the **implementation of Family-Centered Early Intervention in Cerebral Palsy**
- Promote **Empowerment** of Parents
- **Strength the Networks of Informal Supports** and increase the collaboration and sharing inside them
- Include **Adults with Cerebral Palsy** as part of this Networks of Informal Supports

#### Project Activities

##### **First step**

**COLLECTION, SHARING AND CO-CREATION;** Experts will collect and share basis, recommendations and existing tools related to **Family-Centered Early Intervention in Cerebral Palsy**

##### **Next steps...**

**DEVELOPMENT OF TRAINING MATERIALS** Development of Training Materials including bases for **Family-Centered Early Intervention in Cerebral Palsy**. Training Materials will be done with several formats, including text, images, videos, examples of ICT Tools, etc...

**DESIGN OF PRACTICAL TRAINING ACTIVITIES.** Practical activities focused in the knowledge transference and guidelines for their implementation will be designed.

**DEVELOPMENT OF e-TRAINING PLATFORM** Development of an e-Training Platform, including materials and e-Learning Tools for supporting the training methodology.

**VALIDATION AND PILOT TRAINING;**

The kick-off meeting of this project was in Valencia, Spain 8th and 9th. November 2018

Participants: AVAPACE (Project leader and coordinator) <http://www.avapace.org/noticia-detalle.php?IDnoticia=339> ,

APCB (Association of CP of Braga, Portugal) <http://www.apcb.pt/p/the-portuguese-cerebral-palsy.html> ,  
IL-CERCHIO (Italy),

DASS GROUP, IT support (Spain),

EURLY AID (The European Association on Early Childhood Intervention (EAECI))

**Meeting CONTENT:**

**Day 1; 8<sup>th</sup> November 2018**

**Presentation of Partners**

**Project Overview** Problem targeted and Innovative approach, Methodology and Intellectual Outputs, Tasks and Responsibilities, Overall Planning

**Description of Intellectual Output 1. Co-Created Methodological Guide**

**Description Intellectual Output 3. Designed Experiential Training Activities**

**Intellectual Output 2. Training Materials**

**Output 4 e-Training Platform** Requirements according to Application Form (AVAPACE)

- Expectatives of the Consortium
- Vision of future e-Training Platform, possible alternatives, examples, limitations (Daas Group)
- Pilot Actions for Validation (AVAPACE)

**Introduction to Dissemination and Exploitation**

**Day 2; 9<sup>th</sup> November 2018**

### **Working in I.O.1 Co-Created Methodology**

Main contents to be included in the Training Program

- Methods and Tools
- Key competences to be developed
- Key factors for getting successful knowledge transference
- Specifications and approach of the Training Materials and Designed Experiential Training Activities

### **I.O.1 Procedure for the implementation of Co-Creation Sessions**

Next Project meeting June 26-27 in Braga. We will inform you on a regular basis about results and progress.
