

Dear members

Just to let you know about our meeting of VET for EI Project in Braga:.

Meeting of Erasmus+ Project 2017-1-TR01_ KA202-046189

University of Minho, Braga 8th to 11th april 2019

The meeting organized by University of Minho and APCB and it took place in the Institute of Education, University of Minho. It and was attended by 26 colleagues from Turkey, Austria, the Netherlands, Hungary and the United Kingdom. In addition to the partners of the Project, members of the Ministry of Family and Social Affairs of Turkey were present and took part of a meeting in Oporto with the North Regional Sub-Committee, to get information about the Portuguese ECI system.

The agenda was intensive with two days of TPM meeting and two days for mobility with the group of physiotherapists that came from the different partner countries. Within the mobility activities we counted with the collaboration of the Regional Sub-Committee of National Early Intervention System (SNIPI) , Dr. Veríssimo Cabral representative of Education Ministry and Dr. Rosa Marques of representative of the Social Security Ministry, for a presentation on the SNIPI, the participation of the Early Intervention Team (ELI) of Vizela and a 2 hour presentation done by Cristina Araújo, a physiotherapist of ELI of Barcelos-Esposende, about "*The Role of Physiotherapist in the Early Intervention Team*".
